IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPERNING A NEW ACCOUNT

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account.

What this means for you: When you open an account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

Please remember that any documents of information we gather in the verification process will be maintained in a confidential manner.

We appreciate your investment in the Hussman Funds.
